1. This Office action is in response to the amendment filed 06/12/06. Claims 1 and 6-29 are pending with claims 12-24 being withdrawn from consideration for being directed to a non-elected invention. Claims 2-5 have been canceled. Please note that the text of canceled claims should not be presented in accordance with 37 CFR 1.121.

2. The text of those sections of Title 35, U.S. Code not included in this action can be found in a prior Office action.

3. Claims 1, 6, 7 and 25 are rejected under 35 U.S.C. 102(b) as being anticipated by U.S. Patent 5,444,956 to Searer et al.

Searer provides a wooden trim member or "cornice" comprised of a horizontal backing member or base 38 having top and bottom trim/channel members 30 attached thereto by screws (column 3, line 13). The use of screws as a fastening means inherently lends the trim/channel members to being removable and thus interchangeable. A removable and interchangeable insert member 36 is further provided.

4. Claims 8-11 and 26-29 are objected to as being dependent upon a rejected base claim, but would be allowable if rewritten in independent form including all of the limitations of the base claim and any intervening claims.

5. Applicant's arguments have been considered but are moot in view of the new ground(s) of rejection.

6. Applicant's amendment necessitated the new ground(s) of rejection presented in this Office action. Accordingly, **THIS ACTION IS MADE FINAL**. See MPEP § 706.07(a). Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire THREE MONTHS from the mailing date of this action. In the event a first reply is filed within TWO MONTHS of the mailing date of this final action and the advisory action is not mailed until after the end of the THREE-MONTH shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than SIX MONTHS from the date of this final action.

7. The prior art made of record and not relied upon is considered pertinent to applicant's disclosure.

8. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Robert J. Canfield whose telephone number is 571-272-6840. The examiner can normally be reached on M-Th.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Carl Friedman can be reached on 571-272-6842. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
